

How Much Money Can a Nonprofit Earn?

Great question! Payment can differ based on which venue you chose, but in general - your group will come in and run a concession stand like you own it and in return Proof will provide you with a percentage of your sales and, of course, ALL your tips!

Like stated before, compensation can vary based on location, group size and commitment level. In general, an organization will receive 10% commission on food and non-alcoholic beverage, 15% on beer sales, and all tips given by guests.

Groups Large and Small Can Fundraise Here!

Groups any size can partner with POP S&E to fundraise! Below is an example of funds earned by different sized groups from past years from just one event!

2-3 person portable can earn up to \$500 + tips

5-7 person stands can earn up to \$1000 + tips

10-15 person stands can earn up to \$1500 + tips

15+ person stands can earn up to \$2000 + tips

*Funds earned can vary based on game attendance, weather, etc.

As a safety net, venues offer a guaranteed dollar per hour amount. Volunteers will receive whichever is greater between commissions and hourly rate.
